1	Public	Marketing materials, approved press releases — share freely
2	Internal	General procedures, org charts — share internally only

3	Confidential	Client data, financials, HR records — encrypt when emailed
4	Restricted	Board papers, M&A; data, PDPA-sensitive personal data — named recipients only; shred after use

2. CFO / PAYMENT FRAUD PREVENTION

■ **CRITICAL:** No financial transfer may be actioned based on email-only instruction, even if it appears to come from C-suite executives. This is the #1 social engineering attack vector.

1. All transfers above **PKR 100,000** must be verified via direct phone call to the requester
2. New vendor bank account details must be confirmed by phone with the vendor before first payment
3. Suspicious payment requests: Contact IT Security immediately — **itsecurity@company.com** | Ext. 700

3. INCIDENT RESPONSE TIMELINES
